SATURDAY, JUNE 19, 2021

ARROWHEAD PLAZA IN DOWNTOWN BURNS

- LIVE ENTERTAINMENT STARTS AT 3 P.M.
- AWARDS CEREMONY
- FOOD AND DRINK VENDORS

SPONSORSHIP INFORMATION

Harney Hospital Foundation is hosting the After Party for the Skull 120/60/30 Gravel Grind race on Saturday, June 19 from 3-9 p.m. at the Arrowhead Plaza in downtown Burns. Traversing many miles of public lands, this extreme bicycle race attracts riders from all over the country and introduces them to Harney County's rugged terrain and breathtaking beauty. The After Party will be an excellent opportunity for riders and community members to come together and learn about what your business or organization has to offer. Harney Hospital Foundation will put all event proceeds toward the purchase of a tomo (3-D) mamography machine for Harney District Hospital. This state-of-the-art technology provides images of breast tissue in layers, making it easier to find abnormalities and maintaining the gold standard in breast imaging. In addition to earning the opportunity to market your business to an extensive audience, sponsoring this fun-filled community event will help support the expansion of healthcare in Harney County! Feel free to contact Elisha Miller at emiller@harneydh.com or 541-573-8609 if you have any questions or would like additional information about this event.

— ABOUT US —

Harney Hospital Foundation was originally established in 1980 to provide financial support to Harney County Hospital. In 1990, Harney County Health District was created, and Harney County Hospital became Harney District Hospital (HDH). Over the years, HDH has grown to include HDH Family Care, HDH Physical and Sports Therapy, and NewSun Energy & Harney District Hospital Specialty Care Clinic. The Foundation expanded its mission to provide support to these entities as well. Learn more about Harney Hospital Foundation online at www.harneyhospitalfoundation.org.
